

(E) When individual site overloads are discussed, the site Principal or designee and Association building representative of the site shall be members of the committee.

15.6.1.2 The duties of the committee include the following:

(A) Review of efforts made by the District to maintain class sizes or caseloads target ratios.

(B) Review of specific site overloads created when a class is in violation of the guidelines established in sections 15.2 and 15.3.

(1) The review of site overloads shall include:

- An analysis of the reasons for cases of excess class size limits
- The alternatives available to alleviate the situation

(C) Recommend specific actions the Superintendent can take to address each site overload.

15.6.1.3 The committee shall meet upon the request of either the District Superintendent or President of the Association.

15.6.2 The District and the Association shall also establish a committee to monitor class size in secondary physical education classes.

15.6.2.1 The Association will appoint bargaining unit member(s) to serve on this committee.

15.6.2.2 The committee will meet when requested by the District or Association.
